

# Appeal for Redress

from the War in Iraq

[www.appealforredress.org](http://www.appealforredress.org)

**A**

s a patriotic American proud to serve the nation in uniform, I respectfully urge my political leaders in Congress to support the prompt withdrawal of all American military forces and bases from Iraq. Staying in Iraq will not work and is not worth the price. It is time for U.S. troops to come home.

**Nature of Grievance:**

- The fabricated justification for war (nonexistent weapons of mass destruction)
- The failure to provide troops adequate protection and preparation for combat
- The human cost in thousands of deaths and severe injuries among American service members
- The economic cost to American taxpayers and diversion of resources from other priorities (inadequate response to Katrina, etc.)
